

DELTA-MONTROSE TECHNICAL COLLEGE

Hair Styling - Secondary

The secondary **Hair Styling/Hair Design** program meets the state requirements for the Colorado State Board of Barbers and Cosmetologists examinations leading to state licensing.

The **Hairstyling - Basic** certificate is a 320-hour, two-semester certificate focusing on an introduction to hair cutting, styling, coloring, and perming. The **Hairstyling - Advanced** certificate is a 480-hour, two-semester certificate covering intermediate skills in hair cutting, styling, coloring, and perming. Students who successfully complete both certificates and want to meet the training requirements for the Colorado State Board of Barbers and Cosmetologists exam for licensure as a Hairstylist will need to return to Delta-Montrose Technical College and complete an additional semester of training to be eligible to take the licensure exam. Courses in the secondary Hairstyling program are for high school credits only and will be shown on the student's high school transcript.

Through an articulation agreement with DMTC students who want to continue their education in the Barber and Cosmetology fields may enroll in one additional semester at the college-level at DMTC to earn **Esthetician, Nail Technician, Cosmetology, or Barbering** certificates.

A successful career in barber and cosmetology occupations requires a neat personal appearance, strong interpersonal skills, and a good image, and attitude. Since many businesses also sell product, effective salesmanship and business skills are also important. An understanding of fashion, art, and technical design are also useful skills.

Training in barber and cosmetology occupations can help prepare individuals for a variety of related career opportunities such as:

Occupation	Entry Level Wages	Projected Annual Growth
Barbers	\$21,768.00*	2.24%
Hairdressers, Hairstylists, and Cosmetologists	\$18,287.00	1.84%
Manicurists and Pedicurists	\$18,454.00	2.5%
Skin Care Specialists	\$19,255.00*	4.46%*
