This course introduces the EMT to the advanced level of medical assessment and treatment with advanced airway care, administration of medications, manual defibrillation and other advanced procedures. The EMT-Intermediate course consists of approximately

- ~225 hours of classroom lecture, discussion, lab
- 75 hours clinical hospital experience or more (specific objectives to achieve)
- 75 hours of field/ambulance internship, or more (specific objectives to achieve)
- 12 hours of final practical and written testing

The course presents theory and practice of advanced medical assessment and advanced pre-hospital medical interventions. It includes discussion/review of Colorado’s current EMS Rules (more progressive than the current national standards). Successful students will be qualified to take the National Registry of EMTs Intermediate-99 examination, the test required for Colorado EMT-I certification. The course will be conducted in accord with current national curriculum and meets Colorado and NREMT requirements.

**COURSE DAYS:**
Starting November 29, 2016, Tuesday & Thursday evenings and every other Saturday. Classroom time ends approximately 5/9/17. Final written & practical exams within the next 4 weeks. Clinical hours are scheduled by the individual with limited clinicals starting approximately 4/15/17, with most being accomplished after classroom completion. Clinicals must be completed by August 9, 2017. The NREMT computer-based EMT-I99 exam, required for Colorado certification as an EMT-I99, will be scheduled by the individual students after course completion.

**COURSE TIMES:**
Evenings, 6:00p.m. To 9:30p.m.
Saturdays, 9:00a.m. To 5:00p.m.

**LOCATION:**
DMTC Campus, EMS Classroom
Delta, Colorado

**COURSE COST:**
$3204.50 for tuition and fees
$550.00 estimated for texts and supplies.
Additional costs to the student may be required for background checks, clinical requirement travels, and NREMT testing fee.

**Call for OUT-OF-STATE tuition costs**

**Pre-Requisites**
Current HCP CPR certification, current Colorado EMT certification, written approval of medical director, written approval from home EMS agency, TABE test for reading and math competency, physician’s statement of health, immunization records, and student’s letter of interest. See admin class letter for details.

**REGISTRATION:**
Enrollment is limited. Registration is required at least three weeks prior to start of class. Return registration materials and payment information to the DMTC Registrar.

**Contact the EMS Program for registration information.**
